

FELLFAB®

Non Medical - Personal Use

Face Masks - Product Care

Thank you for purchasing FELLFAB® non medical face masks. These 2 ply face masks are made from 100% unbleached cotton and equipped with polyester ear loops. Masks are for personal use and should never be substituted for a medically certified mask.

CARE

For best results, machine wash your mask in cold or warm water. Do not use hot water as it may shrink the cotton. Use a gentle wash cycle with regular detergent.

Air drying is the only recommended way to dry your mask. Avoid ironing.
